As soon as you have confirmed your players to receive quotas, please provide us with a complete list along with any alternates. Lists must include **player's name, email, and phone number**. You should also identify which players will make up your **3-person zone team**. These should be emailed to [jerome@britishcolumbiagolf.org](mailto:jerome@britishcolumbiagolf.org). Please recommend that players register for the event early, they will not be charged or put into the event until they have received a quota. If your zone is paying the registration fee for any of your players, please let us know. If you have a player who is no longer planning to attend, please confirm and we will remove the name from the list of invitees. We will then add any identified alternate(s).

Players must register for the championship by 11PM on June 29<sup>th</sup> unless your zone has not yet run a qualifier. Any unused quotas will go to players in the Sunday Supplemental Qualifier or to players who have been selected by the selection committee. It is the player's responsibility to ensure his entry is received by British Columbia Golf in sufficient time. To bring the total to 156, the remaining positions will be allocated through the following:
