- a. Useful tool for those golfers who are interested in keeping detailed stats about their game
- b. Features charts for every round played with in the past year or go back as few as three months
- c. Monitors improvement
- d. A detailed scoring record will illustrate scoring average, lowest score and any other information selected when member chooses to post a Hole-By-Hole Score
- e. Great tool for teaching professionals and golf coaches who like to chart their students progress

## **8. SCORE ATTESTATION**

Score attestation allows a player to have his or her scores attested by fellow players. The procedure is:

- a. Post your score
- b. Select to have the score attested
- c. Type in name of buddy you played with
- d. Type in email address of buddy you played with
- e. The system sends an email to the buddy saying:  
"You were selected by JONASSON, KRIS to attest a posted score. He posted your 18-hole score of 90 recorded at Sunnydale Golf Club

from the Men's Black tees on 9/23/05 in connection with his 18-hole score of 88 recorded from the Men's Black tees. You do not need to respond to this message. To protest this score go to [www.NGN.com](http://www.NGN.com)."

- f. If person protests they go to NGN website and follow links to protest.
- g. The attested score will show the name of the buddy who attested the score.
