As soon as you have confirmed your players to receive quotas, please provide us with a complete list along with any alternates. Lists must include **player's name, email, and phone number**. You should also identify which players will make up your **3-person zone team**. These should be emailed to [jerome@britishcolumbiagolf.org](mailto:jerome@britishcolumbiagolf.org). Please recommend that players register for the event early, they will not be charged or put into the event until they have received a quota. If your zone is paying the registration fee for any of your players, please let us know. If you have a player who is no longer planning to attend, please confirm and we will remove the name from the list of invitees. We will then add any identified alternate(s).

Players must register for the championship by 11PM on June 21<sup>st</sup> unless your zone has not yet run a qualifier. Contact me to determine the latest date your players may have to register. Any unused quotas will go to players who have been selected by the selection committee. It is the player's responsibility to ensure his entry is received by British Columbia Golf in sufficient time. To bring the total to 120, the remaining positions will be allocated through the following:
